Local Venues for Hire

Printed 16 July 2021
u3a Some Updates 2019
Minor revisions 16 July 2021

NOTE: This document has been released in the interest of getting Hall meetings started again, after the Covid lockdowns. Some information may be out of date. Please check before with the venue or the Groups Secretary before confirming any action.

Listed below are **some** of the many Halls that are available to hire for u3a group activities.

- If I know for sure that a particular hall has been used by our u3a I have marked it as such
- By looking in the Group Activities Schedule in the Digest you can see what days halls are likely to be free, and who uses them.
- If you wish the Halls Booking Officer (HBO) / Group Secretary will make the booking arrangements for you.
- When you contact the Hall bookings secretary to discuss rental please make sure you tell them that our u3a is a registered Charity and that several halls give us a concession rate.
- **Check for latest hire rates** Those listed may **well be out of date** but are a guide
- Coordinators may be asked to sign an indemnity form saying they will be responsible for breakages or damage. It is advisable to send this to the HBO / Groups or Secretary to avoid being held personally responsible. We accept responsibility for damage and breakages caused by our members
- Some halls include a clause in their conditions effectively saying they are not responsible for injuries sustained by hall users, Lin Jonas of the TAT has written *In law they are responsible for anything which occurs due to a defect in their buildings whatever the booking conditions say*. Insert the following after such conditions where they deny responsibility ***save for injuries directly attributed to negligence of the management committee***
- Arrange that an invoice for rental is sent direct to the Treasurer, if they are reluctant to do this contact the Treasurer **before** confirming a booking. Our Treasurer can negotiate directly with the hall administrators.
- Do not get into personal rental of the hall.
- If none of these are suitable there are other lists
- Fees for Hall meetings are £2 to £3 per person from 1 July 2021, If groups cannot cover the rental cost please contact the Groups Liaison Officer
- Hall rental charges at end of list from Treasurer 25/2/15

NOTES: When investigating a new Hall questions to ask

- **Check Hire Rates, many listed here are out of date**
- What time can we get in for a 2 hour booking, do you open early for setting up Free of Charge
- Clearing up similar
- Who locks up after a session
- Coordinators are usually reluctant to be obliged to clean up after meetings, if this is an issue with a hall contact the Groups Secretary / Treasurer.
- Is a Loop System available
- Check Disabled Access

Our Treasurer will have latest prices and contacts for Halls with latest information taken from invoices.

A Google search for Halls for Hire Dacorum will produce a lot of information
http://web.dacorum.gov.uk/home/community-living/community-centres?redirected=true
http://web.dacorum.gov.uk/home/community-living/venues-for-hire?redirected=true

This is a list I have compiled of the halls we use or I have contacted over the years and is not complete
If you update this list please contact Halls Booking secretary, most of the rental charges in this document are for guidance – halls should be contacted directly to confirm.
Should the booking contact given be out of date search the web to locate the hall's web page.
